

# Getting Started on Treatment

When your doctor has prescribed **Ohtuvayre™** (ensifentrine), it is important for you to understand what happens next. You should have received a call from Verona Pathway Plus™, which is a patient support program that helps you understand your insurance coverage options, start **Ohtuvayre**, and stay on treatment. Our team, including a **dedicated Care Coordinator**, is here to support you at every step.

## STEP 1

### Speak With Your Specialty Pharmacy (SP)

Our exclusive SP network will work with you and your doctor so you can get **Ohtuvayre** and necessary nebulizer equipment in a timely manner. Your pharmacy will

- Answer questions, provide education about **Ohtuvayre**, and offer treatment support
- Ship **Ohtuvayre** and necessary supplies directly to you
  - Your pharmacy must speak with you before shipment can be scheduled. Please note that the call may come from an unknown number

## STEP 2

### Start Ohtuvayre and Establish Your Treatment Routine

You should start taking **Ohtuvayre** once received. Throughout treatment, your pharmacy can provide the following support:

- A clinical pharmacist is available 24/7 at your pharmacy to answer any questions while taking **Ohtuvayre**
  - Don't have your SP's phone number? Reach out to Verona Pathway Plus at (833) 372-8492 for assistance
- Convenient options to get refills when you need them: schedule refills by calling your pharmacy, logging into the online portal, or via the pharmacy's text messaging program

## Haven't signed the Patient Consent Form? Or missed your Care Coordinator's call?

Provide consent by scanning the QR code below, visiting [ohtuvayre.com](https://ohtuvayre.com), or calling (833) 372-8492 if you have not already done so.

Your consent is required to access additional support services, including financial support and help starting **Ohtuvayre**.\*

If you haven't spoken to your dedicated Care Coordinator, give them a call at (833) 372-8492 to learn about

- Your insurance coverage
- Available financial assistance programs
- Next steps with your treatment

Scan the QR code to provide patient consent

\*Although signing consent is not required to receive your medication, signing the Patient Consent Form will enhance your experience and grant you access to additional support services.

## Support available through Verona Pathway Plus includes

### Verona Pathway Plus Care Coordinator

Your dedicated Care Coordinator can assist you throughout treatment by providing support in the following areas:

- Understanding your insurance coverage
- Getting started on **Ohtuvayre™**
- Offering financial assistance options
- Coordination with your specialty pharmacy
- Providing ongoing support

### Insurance coverage

- Education and services to help you understand your insurance coverage
- Verona Pathway Plus may be able to help you start treatment with the Bridge Program if there is a coverage delay with your insurance

### Financial assistance

- If you are commercially insured, you may be eligible to pay as little as \$0 per month for **Ohtuvayre** once enrolled in the Copay Program\*
- The Patient Assistance Program may be an option if you do not have insurance, are underinsured, or are in a situation in which **Ohtuvayre** is not covered by your insurance plan. Your Care Coordinator can check to see if you qualify based on the program's eligibility criteria

### Ongoing support

- Verona Pathway Plus is available to help you if you experience any changes with your insurance, financial situation, or prescription delivery

Scan the QR code to add Verona Pathway Plus to your contacts. For questions or more information, call us at (833) 372-8492, Monday to Friday, 8 AM to 8 PM ET

\*Terms, conditions, and program maximums apply. This program is not open to patients receiving prescription reimbursement under any federal, state, or government-funded healthcare program. Not valid where prohibited by law.
